NEWS AND PERSONAL.

Cotton is selling at 14 t 2 and 15 cents per pound at Bryan, Tenso.

A single election in New York city costs over \$\pmu(0.00)\$.

General Thomas arrived at Fortress Mource yesterday to impreced the Yorktown and Hampton National Cemeteries.

It is estimated that there are 7,000,000 head of entite in Tenso. This is assertyten to each man, woman and child in that State.

Edgar H. Woudmar had his right arm blown of yesterday of Ottmenton, N. H., by eccidentally discharging his gun.

The Sheriff of Fuirfield District, S. C. advertises no leas than stay-six plantations to be soid on the farst Monday in November next.

A new kind of cotton is being raised in Mentel when the Cotevine of the character of the character of which work is suppressed in the fact that he had written betters and master the color of work in the master had be required to the fact that he had written betters and master the color of work. licatuckinas, Arc You Bendy? or the great contest which I about to take fore the election. No time is tso be lost in howe or culp the Real open we, his dead reat event. It you were doubtful or un n the election, it would be too late to hope ever disorders are prevalent his wholly o few day that remain. But we well know Yet, in the face of all this the disturb that there is nothing of doubt or indecision about your views. You have judged as patriots should judge, and as your fathers wherein after an ounce that the patriots should judge, and as your fathers wherein, after an ounce that the latter that the patriots of this issues of this would have done, of the issues of this most momentous campaign, and your minds are fully made up on their merits. This you have fully shown in the past. To this the great majority of you have given to the great majority of your have given to the great this the great majority of you have given against members of the Repuj a pay evidence by casting your votes on the Demili they shall attend to visit their ricks corratic side ever since the removal of the government of the bayonet restored to you greetions of the day, that declarations are a doubt exists that a man doubt exists that of you, amounting allermit their political opposits to vote at the ensuing election" and that it quanoppressive, ruinous and debasing heresies of the Radical party, and in favor of the restoration of the government to lise constitutional purity and integrity. None loathe more than posses, and then winds up his proclamation and integrity. None loaths more than you do the proceintia and aordid principles of the party that has had control of the party that has had control of decient force of loyal citize. "to thin a decient force of loyal citize "to thin a decient None appreciate more strongly than you the necessity for substituting the economic and prudent administration of the government amount and prudent administration of the government and the latest and the control of the government and the latest are seen as facts are for the mad financial system that is bring-ing bankruptcy upon the nation. None thation Governor Scott knows quite well ing bankruptcy upon the nation. None feel more keesly than you that the continuance of Radical domination must soon do away with the last vestige of constitutional government and destroy the liberties of the people. None ablier more than you do the unprincipled partition policy that subjects the superior race to the control of half barbarous negroes. In abort, with pride we declare it, it is impossible that a people could be in principle more strongly.

The Charleston N. w. in referring to the minute of the purpose of with a other parents and should be minuted as a people could be in principle more strongly.

The Charleston N. w. in referring to the minute of the purpose of with a other purpos sple could be in principle more strongly proclamation, gives the true v in of the

But, Kentuckians, what you have to conend against is that apathy and indifference born of the certainty of success. There is danger, and a great danger, that, taking it for granted all will go right here, ye ow the majority our State shall give for Democracy and the Constituasions to full below what it has form Against this we solemnly warn you We tell you that It is your duty to swe the Democratic majority to the greatest maible number We charge you to see it that every true man votes for our canpoved in you, and if you would not do the great and patriotic cause in which you are profoundly interested an injury

smocratic, and more hostile to Radical

We need not impress upon you, Demo rate of Kentucky, how vitally the pros erity and independence of our State, and of all the States, are involved in this strug gle. We need not assure you that in that ruggl the liberties of the people and all hat freemen should hold most dear are at take. We are not without a strong lope at the country may be rescued from Radial misrule by the election of Seymour and Blair, but whatever may occur the propriety of Kentucky rolling up a majestic majority of a hundred thousand or more must be apparent to every reflecting Democrat. Let us do what is expected of us, and if the Democracy succeed, what pride and glory will there be tor Kentucky as the namer State of the Union! And, even in the event of defeat, it is a matter of the reatest Importance that the numer and ritality of the party shall be shown by the Kentuckiaus, we have confid ace that

you will add unother leaf to your brillian and patriotic record on the first Turky

begmonr and the Hadienle. such Radical politicians as benator Morton. We are not surprised at it. We didn't suppose they would. It would be complete anomaly, and a certain indicatio of the advent of a political and moral milare perhaps the abjest and most statesman like of any that have fallen from the lips of any public man since the commence of the war. This is saying a great deal, nd comprehensive vi ws, their patriotic remind one strongly of the utterances of

concurred in by the people. In their broad sentiments their eloquence and power, they days of our prosperity and glory. in all that he says shows that his go t satty, to it to heart is glowing who have fact to heart is glowing with lave for his country

heart is glowing wise leve for his country men, and that he is filled with so fude and anxiety for his country's prosperit, and yet, impelled by an importative sense of patriotic dity, he gives no quarter to a ropponents. The exposition he chart of Radicalism is most damaging to that abominable and fatal heresy, and his denunciation of the wenalties and corruption the political crimes and neuropations of those who have accreased the control of public affairs so as to bring the mation to its present perilous condition, is fearful. Of course Senator Morton—of course is:
Radical leaders do not like the They do not like the style of Seymour's speechen not like the style of Seymour's speeches in thelf and then they are exc linely displeased at the powerful held these

speeches take on the minds of the people.

When did cell do t like to have their deeds exposed in the broad light of heavy and the deeds exposed in the broad light of heavy and the deeds exposed in the broad light of heavy and the deeds exposed in the broad light of heavy and the deeds exposed in the broad light of heavy and the deeds exposed in the broad light of heavy the heavy think heavy think heavy think and the deeds exposed in the broad light of heavy the deeds exposed in the broad light of heavy the deeds exposed in the broad light of heavy the deeds exposed in the broad light of heavy the deeds exposed in the broad light of heavy the deeds exposed in the broad light of heavy the deeds exposed in the broad light of heavy the deeds exposed in the deed exposed exposed in the deed exposed in the deed exposed exposed in the deed exposed e
